ASN-301 Anti-Radiation Radar Loitering Munition Suicide Drone System

MD-P00145 · md-asn-301-anti-radiation-radar-loitering-munition-suicide-drone-system

The ASN-301UAV seems to be a near-copy of the Israel Aerospace Industries (IAI) Harpy system that was purchased by China in the 1990s, according to foreign sources. The ASN-301 drone is a delta-wing aircraft with a pusher propeller that looks virtually identical to the Harpy.It is designed to fly in
