CLC-1 Short-range Surveillance Radar

MD-P00722 · md-clc-1-short-range-surveillance-radar

The CLC-1 radar is installed on the Type 95 (also known as PGZ-95) self-propelled anti-aircraft artillery (SPAA) system as the main search and acquisition radar. This system can operate while moving. It has very strong anti-clutter capacity, can acquire and track ultra-low altitude attacking targets

TECHNICAL SPECIFICATIONS
